INTRODUCTION

Many donations received by the library are difficult to strip down, or alternatively, see as sole source items. That is because they are too time consuming for our volunteers or because of the absence of a market for specialty materials. Therefore, we began our "bulk lots/large lots" auctions of such donations in 2007. In this way, we ensure that the lots go to appreciative "homes."

The lots consist of cover accumulations, stamp collections, commemorative FDC collections, national accumulations, and supplies. There are 273 lots.

The auction will be held at the Rocky Mountain Philatelic Library on Saturday, October 21, 2017. There will be one session, beginning at noon in the library Annex meeting room.

The bid form found inside this booklet may be used by mail, or bids may be placed by email at rmpl@qwestoffice.net. Where practical, we have provided the face value of stamps and material in the lots, as well as estimated catalog or retail value of the material contained in the lot.

PROCEDURES

- The highest bidder takes the lot at one advance over the next highest bid, as hammered down by the auctioneer .
- An RMPL volunteer serves as agent bidder for all mail bids; he does not divulge mail bids to anyone—other than in the actual process of bidding. He does not know who the mail bidder is, only the assigned mail bidder's number.
- If a mail bid is the only one for a lot and the mail bid exceeds the minimum bid, the lot shall be sold to the mail bidder at the minimum bid.
- Please Note: Where multiple mail bids are received, the starting floor bid is the 2nd highest of all such mail bids. For example, a lot has a minimum bid of \$50, 6 mail bids are received, the two highest of which are \$75 and \$90. In the example, floor bidding starts at \$75.
- In the case of ties between the highest floor bidder and

a mail bidder, one advance over the highest floor bid will be permitted (with preference given to floor bidders).

- In the case of a tie between mail bidders as the highest bids, preference is accorded the earliest received bid based on the postmark.
- Unspecified amount "buy bids" will not be accepted. Because of the large lot /bulk lot nature of the auction, all sales are final with no returns accepted (unless the lot was mis-described).
- Lots failing to draw the minimum bid will be withdrawn for future disposal / auction.

PAYMENT

The RMPL accepts cash, checks, and money orders. No credit cards or PayPal.

Successful floor bidders are expected to settle their purchases immediately after the auction with payment to the RMPL. Mail and email bidders are expected to settle their purchases within two weeks.

Please note that a successful bid is not a "charitable deduction" for income tax purposes, as goods are being sold and exchanged and no donation is involved.

There are no commissions assessed, but successful Colorado resident bidders will be charged a 4.25% sales tax.

Successful mail and email bidders will be notified of the total cost. Shipping is via the USPS. To get an approximate idea of the cost of postage, calculate from zip code 80224, taking into account the number of boxes cited in the lot (most are bankers' boxes of 10 to 20 lbs.).

Thank you!
