RMPL LARGE LOTS AUCTION
SATURDAY, OCTOBER 19, 2013

INTRODUCTION: We began our “bulk lots/large lots” auctions of donated material in 2007. The lots consist of cover accumulations, stamp collections, commemorative FDC collections, national accumulations, and supplies. There are 295 lots, a record number, in this year’s auction. All realizations are used in support of the RMPL, a volunteer operated 501(c)3 charitable, nonprofit organization.

Date and time: The auction will be held at the Rocky Mountain Philatelic Library on Saturday, October 19, 2013. It will be in two sessions. Philatelic supplies: 10 a.m. to noon. Country collections and large lots: 1 to 4 p.m. or until the final lot is hammered down. The bid form enclosed with this booklet may be used by mail, or bids may be placed by email at rmpl@qwestoffice.net. Where practicable, we have provided the face value of stamps and material in the lots, as well as estimated catalog or retail value of the material contained in the lot.

Procedures:

- The highest bidder takes the lot at one advance over the next highest bid, as hammered down by either auctioneer Erl Fossum or Sergio Lugo.
- An RMPL volunteer serves as agent bidder for all mail bids; he/she does not divulge mail bids to any one, other than in the actual process of bidding. He/she does not know who the mail bidder is, only the assigned mail bidder’s number.
- If a mail bid is the only one for a lot and the mail bid exceeds the minimum bid, the lot shall be sold to the mail bidder at the minimum bid.
- **Please note:** Where multiple mail bids are received, the starting floor bid is the 2nd highest of all such mail bids. For example, a lot has a minimum bid of \$50, six mail bids are received, the two highest of which are \$75 and \$90. In the example, floor bidding starts at \$75.
- In the case of ties between the highest floor bidder and a mail bidder, one advance over the highest floor bid will be permitted (with preference given to floor bidders).
- In the case of a tie between mail bidders as the highest bids, preference is accorded the earliest received bid based on the postmark.
- Unspecified amount “buy bids” will not be accepted. Because of the large lot/bulk lot nature of the auction, all sales are final with **no returns accepted** (unless the lot was misdescribed).
- Lots failing to draw the minimum bid will be withdrawn for future disposal/auction. Those interested in purchasing unsold lots must negotiate with auction manager, David Weisberg.
- **Please note:** Payment for lots sold in the supplies and covers portion of the auction (Part 1) occurs at noon. In other words, successful floor bidders should not plan on bundling successful purchases at the close of the auction at 4 p.m.
- **Bidding Increments:**

Up to \$10.....	\$1
\$10 to \$30	\$2
\$30 to \$100	\$5
\$101 to \$300	\$10
\$301 to \$600	\$20
\$600+.....	\$50

Payment: The RMPL accepts cash, checks, money orders, and PayPal. No credit cards. Successful floor bidders are expected to settle their purchases immediately after the auction with payment to the RMPL. If paying by PayPal the day of the auction, you will need your password to sign in on a library computer. Mail and email bidders are expected to settle their purchases within two weeks. If mail or email bidders are using PayPal, please wait for our invoice. A handling charge will be added. Please note that a successful bid is not a “charitable deduction” for income tax purposes, as goods are being sold and exchanged and no donation is involved.

There are no commissions assessed, but successful Colorado resident bidders will be charged a 4.4% sales tax. Successful mail and email bidders will be notified of the total cost, including shipping/handling and PayPal fees, if any. Shipping is via the USPS.
